Of late the Travelling Allowance of the District Board Presidents is enormously increasing when compared with previous years. This is mainly due to the fact that the Presidents have been invariably accompanying all the Ministers during their tours in the Districts, although their (Presidents) presence is not necessary many a time. I therefore suggest that the District Board Presidents need not, as a matter of routine, accompany all the Ministers except perhaps the concerned Minister or any other Minister who desires them to accompany I believe that this is generally the procedure followed by the Departmental Officers while the Ministers are on tour. I would like to propose that the procedure indicated above for the District Board Presidents may also be followed by the Chairman of the District Development Committees.

OFFICIAL MEMORANDUM.

Instructions *re*: arrangements in connection with the Tours of the Ministers.

In connection with the tours of the Ministers in the State, instructions have been issued in the past, from time to time, emphasising the desirability of avoiding formal receptions or elaborate social functions on such occasions, so as to allow Members of Government more time to attend to important business.

The attention of the Deputy Commissioners and other officers concerned is invited to the instructions conveyed in the Standing Orders on the subject, which are summarised in the annexure to this Official Memorandum for facility of reference. These instructions should be scrupulously observed in letter and in spirit.

It need hardly be added that during their tours the Ministers are always glad to meet and exchange views with members of local bodies and other leading citizens, but they do not wish to accept any formal addresses or civic receptions involving any expenditure from public funds.

1. Government consider it desirable that there should be no spectacular demonstrations during the tours of the Ministers whenever they happen to pay a visit to mofussil places. The existing arrangement of putting up pendals and thoranums should be discouraged and official pressure in this connection should be scrupulously avoided. It is also desirable that entertainments and tea parties should be minimised if not wholly discouraged.

2. Whenever a Minister tours in a District, the local officers should meet him at their respective headquarters but they are not expected to travel with the Minister during his tour unless specially directed to do so.

O.M. No. 1931-47—C. B. 107-41-2, dated 29th November 1941.

3. The presentation of formal addresses by local bodies should as a rule be avoided. There is, however, no objection to the presentation of addresses to officers with whom the local bodies are officially connected, such as the Ministers, provided that the addresses are confined to local questions. In these cases, no expenditure from the funds of the local body will be sanctioned except in so far as it is necessary to cover the cost of printing, postage and other contingencies.

Instructions re: arrangements in connection with the Tours of the Dewan and the Ministers

In connection with the tours of the Dewan and the Ministers in the State, instructions have been issued in the past, from time to time, emphasising the desirability of avoiding formal receptions or elaborate social functions on such occasions, so as to allow Members of Government more time to attend to important business.

The attention of the Deputy Commissioners and other officers concerned is invited to the instructions conveyed in the Standing Orders on the subject, which are summarised in the annexure to this Official Memorandum for facility of reference. These instructions should be scrupulously observed in letter and in spirit.

It need hardly be added that during their tours, the Dewan and the Ministers are always glad to meet and exchange views with members of local bodies and other leading citizens, but they do not wish to accept any formal addresses or civic receptions involving any expenditure from public funds.

By Order,

V. VEDAVYASACHARYA,
Chief Secretary to Government.

To

The Deputy Commissioners of ~~Districts~~.
The Secretaries to Government.
The Presidents of District Boards through the Deputy Commissioners.

Annexure.

O.M. No.1881-1930/C.B. 107-41-1, dated 29th November 1941.	1. Government consider it desirable that there should be no spectacular demonstrations during the tours of the Dewan and the Ministers whenever they happen to pay a visit to mofussil places. The existing arrangement of putting up pendals and thoranums should be discouraged and official pressure in this connection should be scrupulously avoided. It is also desirable that entertainments and tea-parties should be minimised if not wholly discouraged.
O.M. No.2397-456/C.B. 57-43-3, dated 11th January 1944.	2. Whenever the Dewan or a Minister tours in a District, the local officers should meet him at their respective headquarters but they are not expected to travel with the Minister or the Dewan during his tour unless specially directed to do so.
O.M. No. 1931-47/C.B. 107-41-2 dated 29th November 1941. L. 1152-72-M1.128-4i-35 dated 28th July 1942.	3. The presentation of formal addresses by local bodies should as a rule be avoided. There is, however, no objection to the presentation of addresses to officers with whom the local bodies are officially connected, such as the Dewan and the Ministers, provided that the addresses are confined to local questions. In these cases, no expenditure from the funds of the local body will be sanctioned except in so far as it is necessary to cover the cost of printing, postage and other contingencies.
O.M. No.1466-83/C.B. 57-43-2 dated 8th November 1943.	4. The provision of Guard of Honour to the Dewan or the Ministers whenever they visit mofussil District Headquarters may be dispensed with, for the time being.
